Aims and Objectives

1. *To promote and encourage efforts to improve the management and conservation of our Deer population and its habitat.*
2. *To Defend, Advocate and represent the sport of Deer Stalking.*
3. *To provide information for Deerstalkers with a view to attaining high standards of sportsmanship and safety.*
4. *To cooperate and liaise with other sporting bodies in matters of common interest.*
5. *To support efforts to protect field sports and its traditions.*

We welcome, as members, all who have interest in any of the above aims and objectives, or anyone who would simply like to know more about deer. Our members are only too willing to share their knowledge, interest and experience with new members.
